Dear Brothers and Sisters:

We want to express our appreciation for your generous donation to the NALC Disaster Relief Foundation. We cannot begin to express what your gift means to those brothers and sisters who have lost everything. Your donation will go to a worthy cause-- there is no doubt about that.

Letter carriers are fortunate to have the support of so many of their fellow brothers and sisters. And contributions such as the one you have made are certainly a way to pay forward that support.

Your generous contribution to the NALC Disaster Relief Foundation is worth more than any words can express. But more than the monetary value, we so greatly appreciate the thought behind the gift. For that, we thank you.

NALC members who experience a loss through a disaster are devastated, often having nowhere to turn and no one to lean on. Your generosity will make a difference in their ability to begin healing and rebuilding their lives.

On behalf of the NALC Disaster Relief Foundation, thank you for your generous gift of \$1000. For those of you electing to deduct your gift on your personal tax return, note that no goods or services were received in exchange for your contributions to the NALC Disaster Relief Foundation.

Sincerely and fraternally,

Fredric V. Rolando  
President, NALC
